Dear Colleague,

We are excited to announce the 2017 Spring session of PM Connect featuring a Program Showcase on Business Process Management (BPM)

This PM Connect session will be opened by Dennis McDermitt, CISO/CTO, MASSIT who will introduce the presenters and provide insight into how BPM efforts tie to his Cloud strategy. It will then feature BPM Programs that have been implemented using Cloud-based technology. There will then be a specific project showcase featuring Mass IT's Procurement & Contract Management System (PCMS) which is a Cloud based solution.

PM Connect Agenda:

- 9:30 –10:00am Registration, Networking & Refreshment's
- 10:00 –10:15am Introductions by Dennis McDermitt
- 10:15 –11:30am Speaker Presentation details:
 - Mike Syversen – Topic: Business Process Management (BPM) in the Cloud
 - Tracy Williams, PMP – Topic: PCMS System: Cloud Based BPM Solution Implementation
- 11:30 –Noon Panel Discussion
